

## Dress Code

2025-2026

A student's appearance should reflect the impression that formal learning is important enough to call for neatness in dress. Style in clothing should indicate a serious academic purpose on the part of the student. Our standards for dress and grooming are in keeping with the high Christian ideals which we seek to establish in those who attend Lighthouse. The Bible says our dress should be modest (1 Timothy 2:9), not to be too elaborate (1 Peter 3:3-4), and that we should do everything in our lives for the glory of God (1 Corinthians 10:31). In other words, our clothing and the way we wear it should reflect our effort to please God.

The following guidelines do not attempt to embrace every conceivable situation in the realm of dress. The school reserves the right to make final decisions regarding any areas not covered in the dress code. Direct any questions about the intent or provisions of the dress code to the School Administration. Improper dress will result in the student being given a garment to wear over the improper dress. Continual dress violations will result in suspension or expulsion. If changes are made throughout the school year, these will be communicated to the parents.
